**Description:**

**SMARTWALLET** is a mobile application that helps users manage their money better by tracking expenses, setting savings goals, and making smarter financial decisions. It offers features like real-time expense tracking, goal-based savings and AI-driven investment recommendations. The app provides insights into spending habits and personalized suggestions to improve financial well-being. It is designed to tackle common financial challenges like overspending, lack of savings, and confusion about investing. This app aims to provide a simple and accessible way to manage personal finances, helping users develop better money habits and achieve financial stability.

**Target Audience:**

- Young professionals managing their income and expenses.
- College students learning financial responsibility.
- Families looking for better budgeting strategies.
- Small business owners tracking expenses efficiently.
- Anyone seeking to improve financial literacy and savings habits.

**Why it is Necessary:**

Many people struggle with managing their finances effectively due to a lack of budgeting knowledge, impulsive spending, or insufficient savings. **SmartWallet** bridges this gap by offering a user-friendly platform that not only tracks expenses but also educates users on smart financial decisions.

Welcome:

**Login:**

A mobile application login screen with a white background and a blue gradient at the bottom. At the top, the status bar shows the time 9:41, signal strength, Wi-Fi, and battery icons. The main heading "Welcome Back" is centered in a large, bold, dark grey font. Below it, the "Email" label is followed by a light grey rounded rectangular input field containing the placeholder text "Enter your email". The "Password" label is followed by a similar input field with ten dots representing a masked password. Below the password field, there is a radio button next to the text "Keep me logged in" and a blue link "Forgot password". A dark blue "Log-in" button is centered below these options. A horizontal line with the word "or" in the center separates the login options from the "Continue with Google" button, which features the Google logo and the text "Continue with Google". At the bottom, the text "Don't have an account?" is followed by a blue "Sign up" link. A black home indicator bar is at the very bottom of the screen.
